

Denver Academy of Torah

July 10, 2018
Tammuz 5778

Dear Parents,

Attached is the Denver Academy of Torah 2018-19 K-8 school supply list. Please note the new format is divided by grade for ease of use.

Our teachers spent numerous hours over the summer refining their supply lists to be as realistic as possible. This year's list is greatly reduced from previous years with the intention that families will not be asked to purchase unnecessary items. As a result, teachers may occasionally request additional items to be purchased during the year.

Please note that some items below suggest a specific brand. Teachers have observed that these brands are longer lasting, easier to use, and therefore, more economical in the long run.

Also, we have removed plastic ware (spoons and forks) from the supply lists. We will have some on hand for emergencies but please be sure to send your child to school with the needed utensils.

Finally, please label folders/binders, notebooks, backpacks, smocks, change of clothing and water bottles with your child's name. This is a great practice for

If you have any questions or require further clarification, please feel welcome to contact the school office at 720.859.6806

Sincerely,

Linda Hamo
Office Manager, K-8
